REPORT AND RECOMMENDATION TO DISMISS
PETITION FOR A WRIT OF HABEAS CORPUS

Petitioner has filed with this Court a Petition for a Writ of Habeas Corpus by a Person in State Custody. Petitioner is presently incarcerated at the Clements Unit in Potter County, Texas. While petitioner does not indicate the conviction for which he is presently confined, review of the Texas Department of Criminal Justice Online Offender Information Database indicates petitioner is currently confined pursuant to a conviction for failing to comply with sex offender registration requirements; he has previously been convicted of, *inter alia*, burglary of a habitation and indecency with a child. All petitioner's convictions are out of Tarrant County, Texas. By his habeas application, petitioner challenges a June 9, 2011 prison disciplinary proceeding conducted at the Clements Unit for assaulting an officer wherein petitioner lost five days previously accrued good-time credits as punishment.

In order to challenge a prison disciplinary adjudication by way of a federal petition for a writ of habeas corpus, a petitioner must, at a minimum, be eligible for mandatory supervised release and have received a punishment sanction which included forfeiture of previously accrued good-time credits. *See Malchi v. Thaler*, 211 F.3d 953, 958 (5th Cir. 2000). In his habeas application, petitioner acknowledges he is not eligible for mandatory supervised release. A review of the online Offender Information Detail maintained by the Texas Department of Criminal Justice confirms petitioner is not, in fact, eligible for mandatory supervised release. As petitioner is not eligible for mandatory supervised release, he may not challenge a prison disciplinary proceeding by way of a federal petition for a writ of habeas corpus. *See id.*
